Enhanced illumination for clear visibility of
surrounding hair, ensuring easier operation

**Compact and exquisite appearance,
with a comfortable ergonomic grip**

Effortless blade changing

Easy to operate, convenient
and user-friendly

3-level intensity adjustment

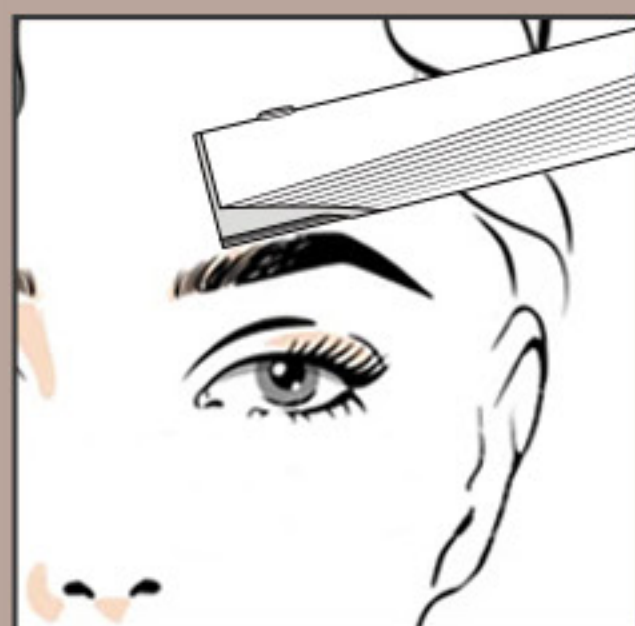

How To Use

Remove facial fuzz

Please place the dermaplaning blade against your facial skin, and move it at a 45-degree angle to slowly eliminate facial hair.

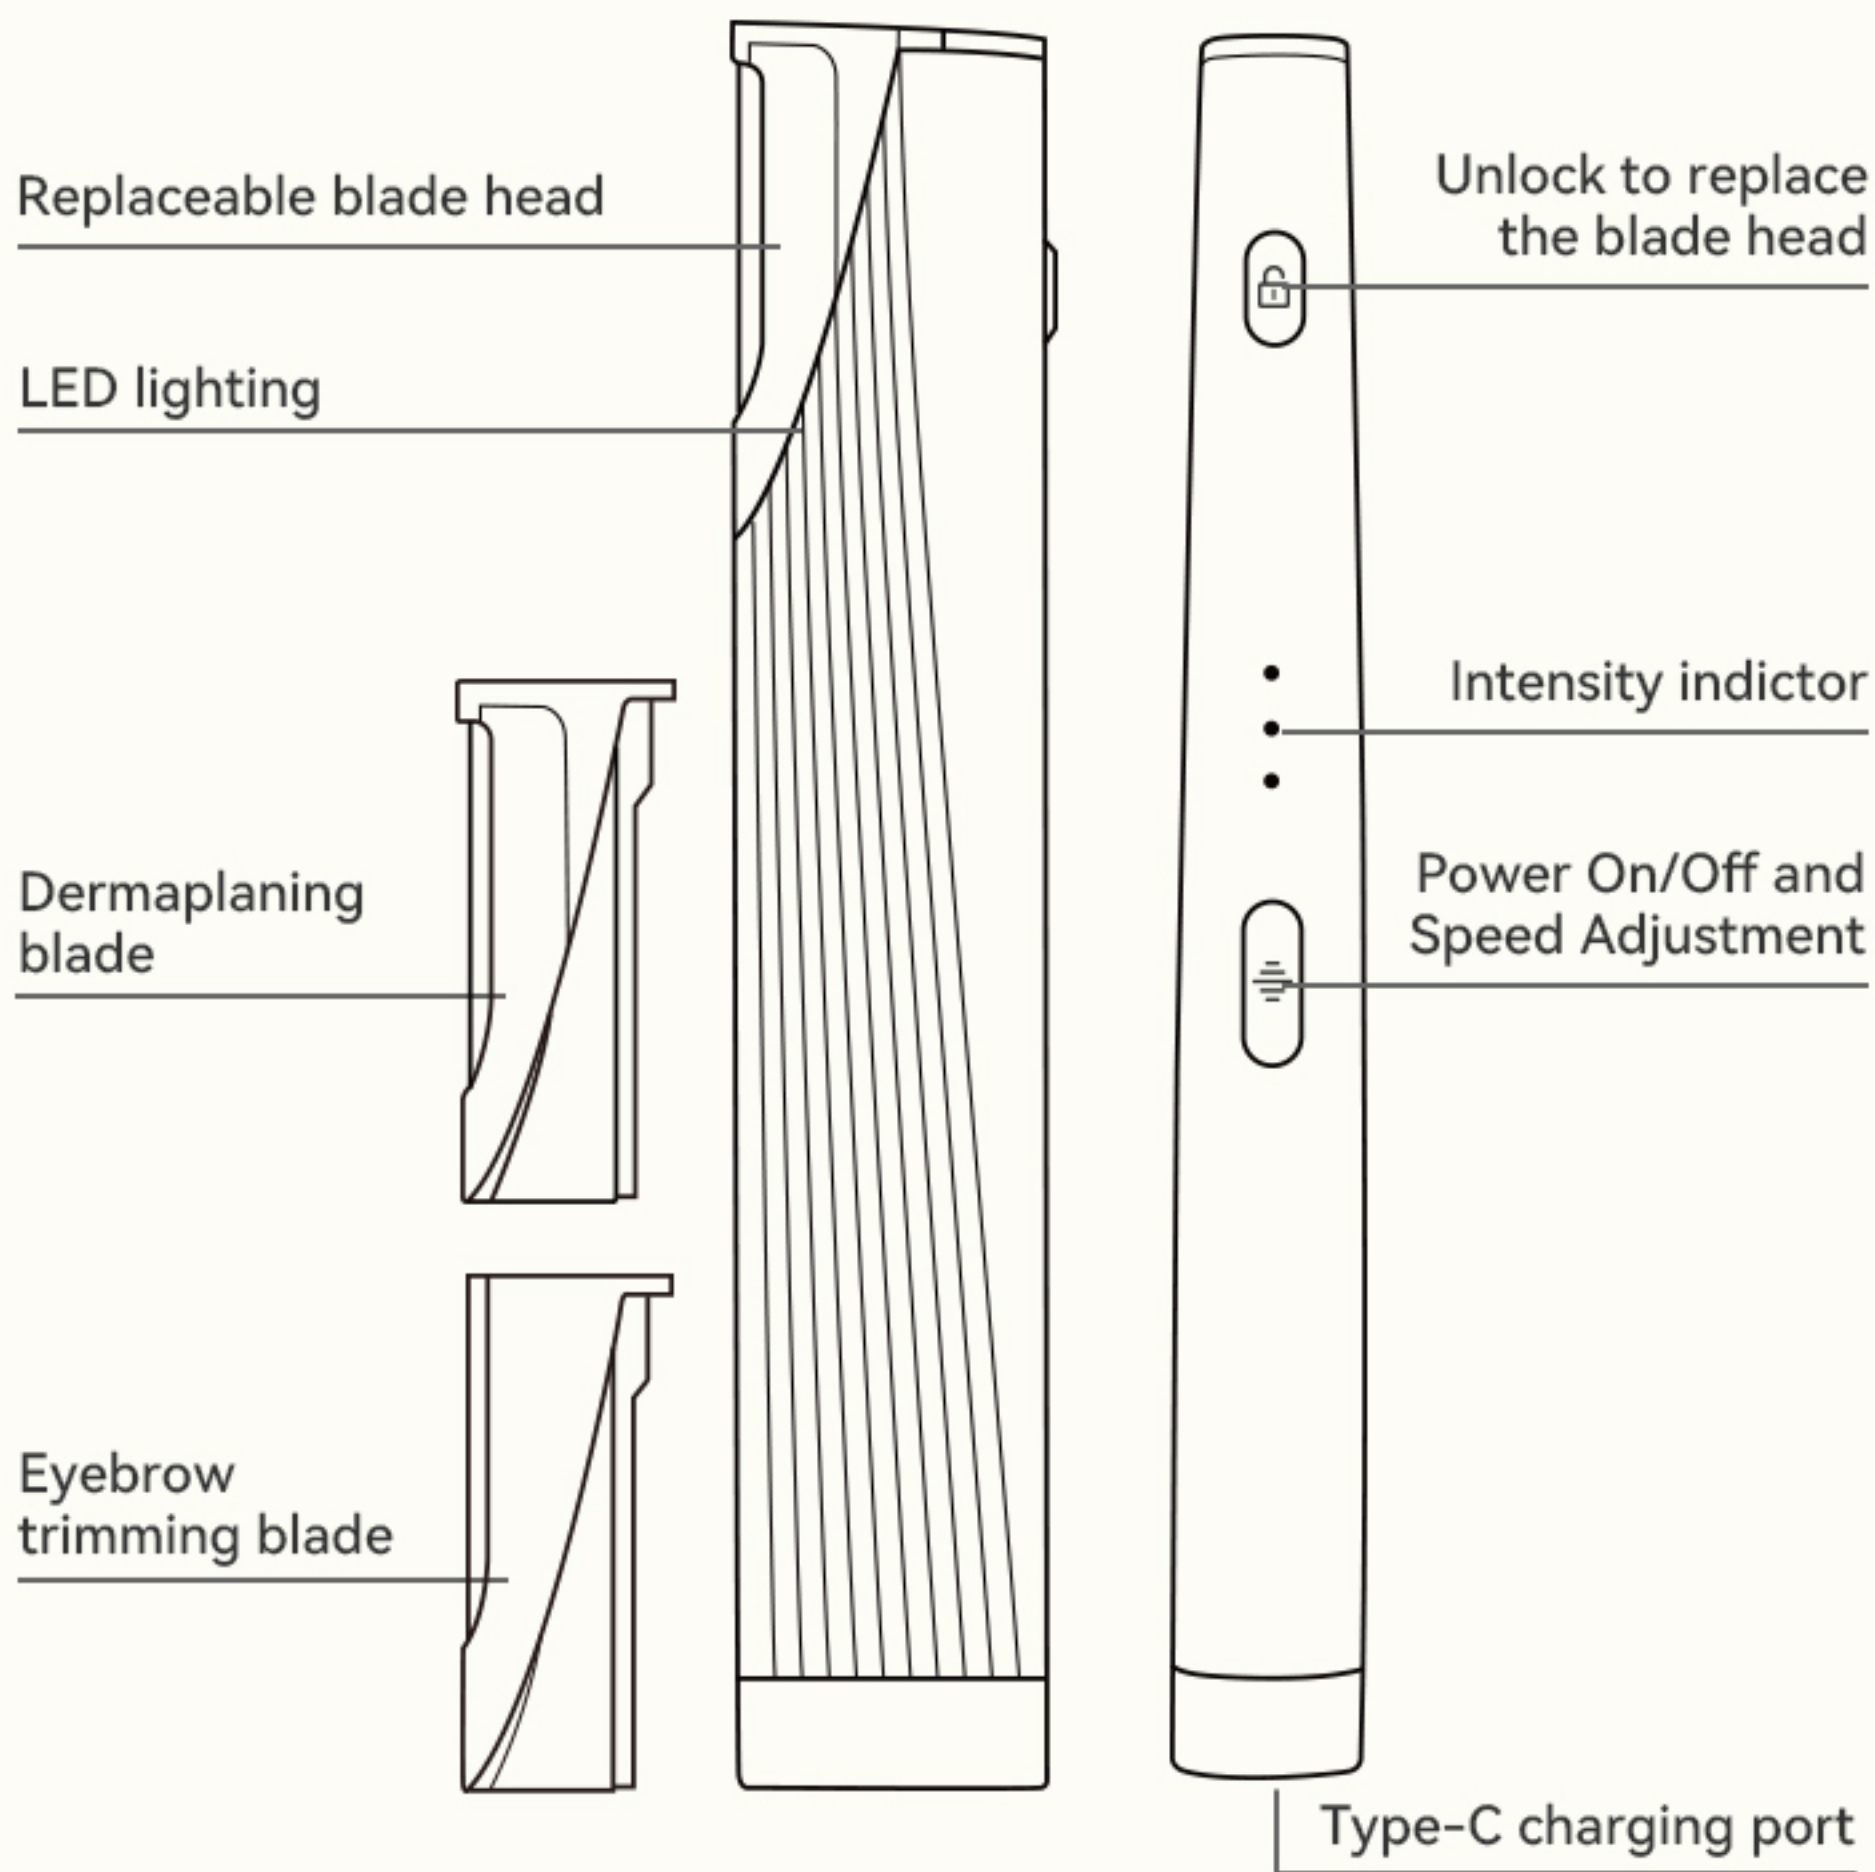

Refine your eyebrow shape

Hold the eyebrow razor at a 45-degree angle against the skin, and trim your eyebrows to perfection.

It is recommended to use this device every week, starting from the lowest intensity and gradually increasing as needed. Before using the device, it is advisable to wash your face, and after using it, continue with your regular skincare routine.

Product Specification

Product Name	Mini DermaPro Beauty Device
Model Number	BV18-712
Battery Capacity	110mAh
Charging Time	Approximately 1 hour
Usage Time	Approximately 1 month
Charging Method	Type-C charging port
Product Size	130*27*14mm
